

GFDR's searchable data base is available on line at www.gfdataresources.com.

We provide detailed valuation data organized by business category and/or NAICS code. You can organize your search by TEV or by year, then print it or download it into Excel. GFDR reports at the finest level of industry detail at which there are at least three data points.

The GFDR searchable data base currently includes deals in 41 NAICS three-digit categories and 93 sub-categories:
